AUTUMN GOODS NOW HAVE The Right of Way

This great store, keyed up to its full resources, invites your inspection of its magnificent displays of Fall merchandise---its lovely vistas of charming fashions and beautiful novelties. Never has the comprehensiveness of its range been so wide-spreading---never has it presented so many opportunities for its patrons to enjoy and profit by unequalled economies. Your attendance is invited whether you have something to buy or whether you merely wish to rove around the store at your will and look at the beautiful displays of new merchandise.

Newest and Best in Women's Fall Apparel Priced Lowest

A splendid showing of Fall and Winter's cleverest and most distinctive style-touches will greet you here. Our display of Women's Apparel is an open "Style Book." Come and read the wonderfully absorbing story---and learn an object lesson in economy. Most women are good judges of value and when they see that they can get just as good, just as stylish garments at this store---and save from \$5 to \$10 is it small wonder that they are buying of us?

BEST VALUES IN WOMEN'S FALL SHOES

There are any number of good reliable makes of Women's Shoes---you'll find them in other stores as well as this---but you'll pay from 50c to \$1 more for the same identical qualities. We have had women tell us that one pair of our shoes outlasted two pairs bought elsewhere. That's good economy---Won't you try it? A Shoe for every foot---a price for every purse.

"Send Me"

Not mine to mount to courts where seraphs sing,
Or glad archangels soar on outstretched wing;
Not mine in union with celestial choirs
To sound heaven's trump, or strike the gentler wires;
Not mine to stand enrolled at crystal gates,
Where Michael thunders or where Uriel waits.
But lesser worlds a Father's kindness know;
Be mine some simple service here below--
To weep with those who weep, their joys to share,
Their pain to solace, or their burdens bear;
Some widow in her agony to meet;
Some exile in his new-found home to greet;
To serve some child of Thine, and so serve Thee,
Lo, here am I! To such a work send me!

Edward Everett Hale.

My serious minded friend, look upon the cheerful side of things! True your life began without your consent. Why you are here you know not. And live and laugh as you may your life will end in a tragedy and you will go out of this earthly existence against your will to face--no one knows what! But what boots it, after all! It is the inexorable law of fate and no man by taking thought, be it ever so seriously, can alter or avert it. The sensible thing to do is to bethink oneself of the present. The present alone is ours. Let us improve it by thinking right and doing right and we will always be happy and

cheerful. The world loves the cheerful man, the man who radiates good cheer as the stars give light. The world flees from the grouch as from a pestilence. Why look, then, upon the somber side of things? Laugh to scorn that which you can not help and you will find it easy and profitable to be of good cheer.

When one suddenly meets with financial reverses, or is bereaved and feels desperate, hopeless and crushed, temptation often comes to end life or to acquire detrimental habits to obliterate thought. But nature asserts itself; hunger exacts its toll; sleep claims its share of time, and almost before aware of it the body has carried the mind past danger and restored a desire to live with reconciliation to the inevitable. A resolution to bury the past and take from the present and future compensation for loss and suffering, drives away moroseness, and soon from ruined fortunes and blighted hopes grow greater success and wider fulfillments of heart, making the later days the better days because of power to rise above sorrow and disappointment.--The Royal Neighbor.

People in demand are not always those who do the most or the best, but the ones who can do both the most and the best. --Ex.

A pleasant disposition is often a matter of acquisition. --Ex.

Running for Office.

The following is the expense account of a defeated candidate: "Lost 4 months and 23 days canvassing; 1349 hours sleep, thinking about the election; 5 acres of cotton, 23 acres of corn; a whole sweet potato crop; 4 sheep, 2 shoats and beef given to barbecues; 2 front teeth and a considerable quantity of hair in a personal skirmish; gave away 97 plugs of tobacco, 23, 849 drinks of whiskey; 2984 glasses of beer; 7 Sunday-school books; 2 pair of suspenders; 4 calico dresses; 7 dolls 13 baby rattlers. Told 2589 lies, shook hands 23,477 times; talked enough to have made in print 1600 volumes size of patent office reports; kissed 126 babies; kindled 14 kitchen fires; cut 3 cords of wood; pulled 474 bundles of fodder; picked 746 pounds of cotton; helped pull 7 wagon loads of corn; dug 13 bushels of potatoes; toted 23 buckets of water; put up 7 stoves; was dog bit 3 times; watch broken by a baby, which cost \$3 to have repaired.

Loaned out 3 barrels of flour, 30 bushels of meal, 150 pounds of bacon, 27 pounds of butter, 12 dozen eggs, 3 umbrellas, 13 lead pencils, 1 Bible dictionary, 1 moving blade, 2 hoes, 1 overcoat, 2 boxes of paper collars none of which had been returned. Called my opponent a perambulating liar--doctor's bill \$10; had 3 arguments with my wife--result, 1 flower vase smashed, 1 broom handle broken, 1 dish of hash knocked off the table, 1 shirt bosom ruined, 2 handfuls of whiskers pulled out, 10 cents worth of sticking plaster bought; besides spending \$363 in hard cash.--Exchange.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Dandruff and Itching Scalp Yield To This Treatment.

Why experiment trying to drive the dandruff germ from underneath the skin with greasy lotions or fancy hair-dressing when Windrow's Drug Store will guarantee ZEMO and ZEMO SOAP to entirely rid the scalp of the germ life that causes the trouble.

ZEMO and ZEMO SOAP can be obtained in any city or town in America and are recognized as the best and most economical treatment for all affections of the skin or scalp whether on infant or grown person. One shampoo with ZEMO SOAP and an application of ZEMO will stop itching and cleanse the scalp of dandruff and seurf. We invite you to try ZEMO and ZEMO SOAP and if not entirely satisfied we will refund your money.

EVERYBODY admires the man that has convictions and stands by them, that has made up his mind concerning religious views, and has taken his position politically and knows where he stands on fraternal questions. Despicable, indeed, is the man who never knows where he is; nor do his friends know, because he is forever shilly-shallying first on one side, then on the other. Give me the man that will take his stand and stay with it.--The Sovereign Odd Fellow.

Letter to E. G. Garwood

HONDO, TEXAS.

Dear Sir: "It costs as much to put on poor paint as good"—a common saying and true—it costs much more to put on poor paint; more gallons. Poor paint is paint and barytes or paint and sand or paint and lime or paint and chalk or paint and benzine or paint and water; these are the usual cheats; there are others.

It takes more gallons of paint and a cheat than of honest paint; and the cost of the labor of painting is so much a gallon—one gallon costs as much as another, for labor.

This is the way to reckon your costs for this year; but how about next year? Paint Devoe, and next year costs nothing; year after the same; the same for several years.

Paint anything else, and your costs recur according to what you paint with. Some of the mixtures wear one year; some two some three.

It costs twice, three times, four times, five times, as much to paint with cheat as to paint with Devoe.

Yours truly,

F. W. DEVOE & CO

A Correction.

D'Hanis, Oct. 18th, 1910.

Editor Hondo Anvil Herald.

Dear Sir:

I notice in your last weeks issue in D'Hanis Dots that I should have said that a man is no man at all that can't take his family off for a jollification once a year when cotton brings 14 cents a lb. I never said anything of the kind, and kindly ask you to correct that part of the D'Hanis Dots, and inform your correspondent, Twister, who ever he may be, that he would do better if he sends news to send it the way it is, or the way it is given to him.

Thanking you in advance, I beg to remain as ever.

HY. R. WERNETTE.

(We are sorry our correspondent's language gave offense, as we are sure none was intended by him in writing any more than there was by us in printing the same, and it was certainly not our purpose to give offense. We cheerfully give place to Mr. Wernette's communication and trust the correction will be satisfactory to all.—Editor.)

ED. ANVIL HERALD:—

Miss Dolly Reilly, daughter of Mr. Jacob Reilly, one of our most successful ranchmen, left on the 17th for San Antonio where she will take a course in music. Miss Dolly is a young lady of rare musical ability and this course will fit her for a very successful career. This is a move in the right direction. Intellectuality and that alone will save one from being a "hewer of wood and a drawer of water."

Mrs. Will Holloway and Miss Meda Meriwether of Hondo were pleasant callers in D'Hanis on last Friday afternoon. It is always pleasant to have such charming visitors in D'Hanis.

Mr. Henry Nester and Miss Ella Brown were united in marriage this afternoon at 4 o'clock in St. Anthony's chapel by Rev. H. M. J. Wirtz. The wedding dance took place on the evening of the same day and a large crowd assembled to do honor to the happy couple.

Miss Clara Nester came home from San Antonio to attend the wedding of her brother.

Miss Nora Fuller of the Longview school was the charming guest of Mr. and Mrs. Roller from Friday afternoon to Sunday afternoon.

The barbecue and dance given at the pavilion for the benefit of the public school was a great success. By noon there was a large crowd which increased until the evening shades gathered for the dance.

Rev. C. M. Dillinger preached in the Presbyterian church Sunday and the sacrament of the Lord's supper was administered.

Mr. and Mrs. Roller entertained on Friday evening in honor of the Misses Hanley. About thirty guests were present and "progressive high five" was the order of the evening. At the close of the evening a delightful ice course was served. Mr. Richard Reilly won the gentleman's prize, Miss Mabel Ford the lady's prize and Miss Minnie Reilly the "booby."

The guests departed at twelve o'clock with the assurance to Mr. and Mrs. Roller that the evening was a success.

J. W. L. Hanley and family left on Tuesday for San Antonio where Mr. Hanley goes to take charge of the East Yards. We wish Mr. Hanley and family a deserved success in their new home.

A dinner and bazaar beginning Oct. 23rd and lasting to the 26th will be given by the ladies of the town for the benefit of St. Anthony's school. All are cordially invited.

The Philathea Class.

The Philathea class met with Mrs. J. S. Monkhouse Tuesday evening. Fifteen members were present. Two new members, Mrs. T. C. Barnes and Miss Inez Hearn were enrolled.

After roll call the Secretary presented samples of class pins which were examined, but it was decided to wait until the next meeting before placing an order.

A request blank for a charter was presented by the President and the Secretary was ordered to send for the same.

It was decided that the class take up as a special work the raising of funds to build a class room.

The history lesson, led by Mrs. T. C. Hickman, was very interesting and the class seemed to understand it thoroughly.

It was decided to hold the next meeting with the Misses Harger.

Mrs. Monkhouse served delicious chocolate and sandwiches.

There's a Difference--

No counterfeiter has ever produced a perfect dollar bill. No imitator has ever equalled Parke, Davis & Co.'s quality.

Divide men into classes—druggists, physicians, preachers, manufacturers, etc. Would any man anywhere under the sun be guilty of saying that all druggists are alike, all physicians alike, all preachers alike, or that all manufacturers are alike? Just as there is a difference in men so there is a difference in the medicines made by different manufacturers. For years, in practically all our Prescriptions, we have been dispensing preparations manufactured by Parke, Davis & Co., of Detroit, acknowledged to have the largest and best equipped laboratories in the world for the scientific preparation of high-grade pharmaceuticals. This is one of the main reasons why Doctors prefer to have us fill their prescriptions, because there is no guess-work about Parke, Davis & Co.'s remedies, they are always the same—always the best. And the nice thing about it is—they cost no more than inferior makes. Try us once and you will come again.

"Sunshine" Hawks at the Auditorium.

The first attraction of the series booked by the Mothers' Club for the benefit of the Public School was a lecture by "Sunshine" Hawks delivered at the Auditorium Wednesday evening to a large and appreciative audience.

Mr. Hawks is a fluent talker and for about an hour kept his hearers interested and amused by a constant flow of wit and humor, occasionally interspersing just enough of the shadows of pathos to throw the brighter features of his word pictures into bold relief. Through the discourse, there ran a thread of homely philosophy and moral preachment that must be uplifting to all who will think on these things.

The Mother's Club is to be congratulated on securing this lecture. If the other three of the series prove as good, the enterprise will be an undoubted success both in a financial way and in an educative sense. The first cost of securing the series from the Rice Lecture Bureau has now been secured and practically all of the door receipts from the other lectures will be profits.

The next attraction will be at the Auditorium next Thursday night, Oct. 27th, when Luther Manship of Mississippi will lecture on the days of slavery under the subject "From the Cabin to the Big House." This lecture should be especially interesting to the people of Hondo and it is hoped that there will be a large attendance.

One of the reasons for Hondo being such a good trading point and drawing trade from such a broad scope of territory is the large quantities in which our business men make their purchases, thus enabling them to carry a great variety and to sell at close figures. As an example of this the firm of Schmitt & Steinhardt this week received a car of canned goods, molasses and coffee which weighed 27,000 pounds. Similar purchases are not infrequent with this enterprising firm.

ANTIQUITY OF FAKED FOODS

Pliny Tells of the Adulterations Practiced in Ancient Rome—Wines Often Were Doctored.

So much is heard of pure food laws and food adulteration these days that one is prone to assume that the abuse in question is a result of modern conditions of trade and competition. Such, however, is not the case, for the Greeks and Romans complained as bitterly as the man of today of the adulteration of their food.

In Pliny is found an account setting forth how the bakers of Rome were wont to mix with their dough a white earth, soft to the touch and sweet to the taste, thus turning out a foodstuff that had weight and fine appearance, but little food value.

Pliny also touches upon wine adulteration. He assures us that not even the rich Roman noble could be sure that the wine he purchased was pure. Moreover, the famous wines of Falerno were doctored, and wines from Gaul generally esteemed to be the best were as a matter of fact artificially colored by aloes and other drugs.

Much complaint was made in Athens touching wine adulteration, so that in time it became necessary to appoint special inspectors with a view to putting an end to the evil.

There was one wine merchant named Canthare, who was so skillful in the matter of adulteration that his name actually became a synonym for the expression "clever deceit." Canthare's long suit was in imparting the flavors of old age to new wine.

And so on. Throughout Europe, from the tenth century onward, are found numerous instances of food adulteration in general practice by bakers, brewers, vintners, etc. The tricks of the trade were originated more than 1,000 years ago.

Biliousness is due to a disordered condition of the stomach. Messrs. Ridgill and Burns.

Thousands of people have stomach trouble, constipation, indigestion, sick headache, etc., and don't know what to do for it. Perhaps the experience of Mr. Ridgill, postmaster at Bruceville, Tex., and Mr. Burns, Wabash R. R. engineer, Bement, Ill., will suggest a method. Both of these men take pleasure in saying that they cured themselves with Dr. Caldwell's Syrup Pepsin. It is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all druggists at 50c and \$1 a bottle.

A woman will never make a success in politics, because it is too hard to reach her pocket.

Can't Learn In School.

When the stomach is out of order or the bowels constipated, a feeling of drowsiness and inactivity comes over the body. The brain won't think and the body won't work. If it is a child who suffers in this way, it naturally can't learn well in school, as it has no inclination for study. Give the child a dose of Dr. Caldwell's Syrup Pepsin and you will soon find it wonderfully improved and ultimately cured. It is guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by all druggists at 50c and \$1 a bottle.

More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. BY CRITIC.

ED. ANVIL HERALD:

The Mustang Prairie school, better known as the Henry Kempf Skule, is attended by 22 pupils. The teacher, Miss Minnie Mathews, is getting along very well and is liked by the pupils and patrons.

The Devine boys who frequent the Noonan Saloon are a jolly crowd and seem to like Alamo as well as Texas Pride. Look out, boys; don't let Bro. Dubose find you out or there will be something for you to read in The Devine News.

Some of our farmers are plowing out their cotton stalks to starve the boll weevil. Others are leaving theirs, expecting a top crop. If they do not get any more cotton they will have the satisfaction next summer of knowing that they helped in saving the weevil from starvation.

Oats planted since the rain are up and doing nicely.

Louis Mangold of Castroville and his sister, Mrs. Julia Duglar, of San Antonio, visited their brother, Val Mangold, yesterday.

The Deutscher Schuetzen Verein gave a picnic yesterday. People from Devine, Lacoste, Macdonia, Schertz, Castroville and Riomedina were present and all seemed to enjoy themselves.

Fritz Kraft was here last week from Schertz to look after his farm.

Joe Spettel and wife of Riomedina visited Aug. Vollmering's family.

I suppose the Anvil Herald man is pleased to receive letters but, like all other editors, has a special predilection for those containing money to pay for subscriptions. Therefore, I enclose one dollar for which send Anvil Herald one year to Nick Tschirhart. Noonan, Texas, Oct. 17, 1910.

Reaching the Top

In any calling of life, demands a vigorous body and a keen brain. Without health there is no success. But Electric Bitters is the greatest Health Builder the world has ever known. It compels perfect action of stomach, liver, kidneys and bowels, purifies and enriches the blood, tones and invigorates the whole system and enables you to stand the wear and tear of your daily work. "After months of suffering from Kidney Trouble," writes W. M. Sherman, of Cushing, Me., "three bottles of Electric Bitters made me feel like a new man." 50c. at W. H. Windrow's.

Forced To Leave Home.

Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. There's a better way. Let Dr. King's New Discovery cure you at home. "It cured me of lung trouble," writes W. R. Nelson, of Calamine, Ark., "when all else failed and I gained 47 pounds in weight. It's surely the King of all cough and lung cures." Thousands owe their lives and health to it. It's positively guaranteed for Coughs, Colds, Grippe, Asthma, Croup—all throat and lung troubles. 50c and \$1.00. Trial bottle free at W. H. Windrow's.

It Grows Hair
Here are facts we want you to prove at our risk

Marvelous as it may seem, Rexall "93" Hair Tonic has grown hair on heads that were once bald. Of course, in none of these cases were the hair roots dead, nor had the scalp taken on a glazed, shiny appearance.

Rexall "93" Hair Tonic acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a most pleasant toilet necessity, is delicately perfumed, and will not gum or permanently stain the hair.

We want you to get a bottle of Rexall "93" Hair Tonic and use it as directed. If it does not relieve scalp irritation, remove dandruff, prevent the hair from falling out and promote an increased growth of hair, and in every way give entire satisfaction, simply come back and tell us, and without question or formality we will hand back to you every penny you paid us for it. Two sizes, 50c. and 1.00. Sold only at our store—The Rexall Store. F. H. Falkenberg.

It's much easier to "think" about getting up early in the morning, than it is to really do it!

Capt. Bogardus again hits the Bull's Eye.

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I suffered a long time with kidney and bladder trouble and used several well known kidney medicines, all of which gave me no relief until I started taking Foley Kidney Pills. Before I used Foley Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self." W. H. Windrow.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.

CAME AS PLEASANT CHANGE

Hand-Written Business Letter Appealed to the Man of Old-Fashioned Ideas.

"Yesterday," said an old-fashioned man, "I received a handwritten letter, the first I had received in a long time, and do you know I was much impressed by it? Much."

"You know that for a long time now almost all business letters have been typewritten, dictated. With the vast multiplicity of letters to be written, we could no longer find time to write our letters by hand. That hand-written letter that I got yesterday did please me."

"There was a man who in answer to mine had sat down and actually written me a letter, and there was a sense of personal attention in that that pleased me very much, and I think there might still be found profit in the handwritten letter. Many such letters that we used to get we couldn't read, or we deciphered only with much labor; certainly the typewritten letter is a great convenience and comfort, and still I do think that it would pay a business man occasionally to write a letter with his own hand. It would please his customer, I do believe, to receive such a letter that was obviously a personal communication. I know that such a letter pleased me."

You are not experimenting on yourself when you take Chamberlain's Cough Remedy for a cold as that preparation has won its great reputation and extensive sale by its remarkable cures of colds, and can always be depended upon. It is equally valuable for adults and children and may be given to young children with implicit confidence as it contains no harmful drug. Sold by all dealers.

"You Can Fool All the People Part of the Time and Some People All the Time"

It is a very common occurrence for some piano dealers to advertise a lot of unknown makes, of unknown value, at prices that are supposed to effect a saving to the buyer, but eventually the unsophisticated discover that their supposed bargain was a rather expensive purchase.

Our instruments are standard makes and priced in accordance with their intrinsic value. Every piano in our salesroom bears the guarantee of the maker in addition to our own. When you purchase a piano at this store you can depend on the quality and by reason of our one-price method you know positively that some other individual has not bought a similar instrument at a lesser cost.

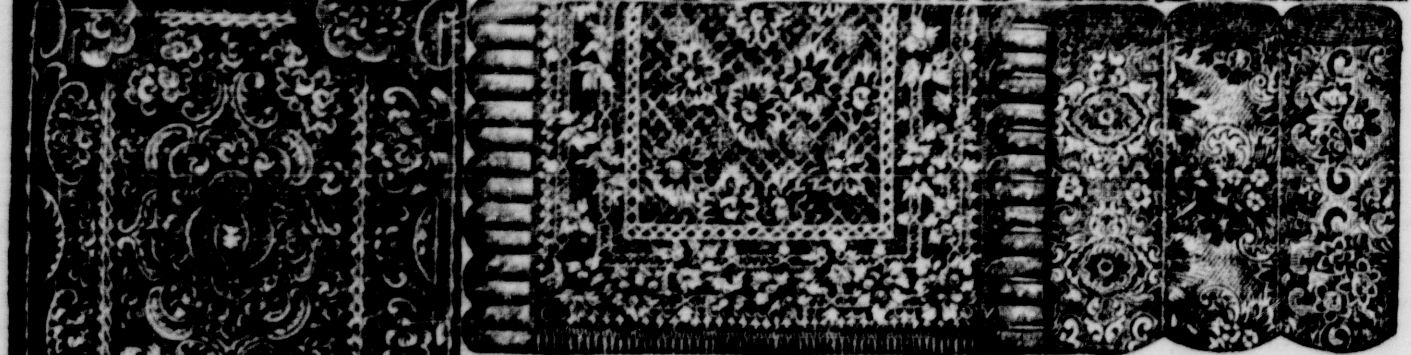

The cultivated, the discriminating, the prominent, almost always use one of these makes:

MASON & HAMLIN, HARDMAN, BUSH & GERTS, HARRINGTON, HENSEL

The greater the pianist's ability, the more cultured the ear of the hearer, the higher will be the appreciation of the rich and colorful tones of these instruments. They embody a distinct individuality, bringing to the surface the best there is in composer and pianist alike. Our easy payment plan will enable you to use the piano while paying for it. Old instruments taken in exchange.

B. H. Brucka, candidate for Commissioner from this precinct, was campaigning in this part of the precinct this week. He paid our office a call and left us a curiosity in the shape of a Democratic, a Republican and a Populist ticket which were used in the election of 1892, eighteen years ago. At that time each party's ticket was printed on a separate slip of paper and each county candidate had as many printed as he wanted and distributed them freely all over the county. On these tickets appear the names of J. S. Hogg, Thomas L. Nugent and A. J. Houston for Governor. Presumably this is the same Houston who is now running on the Prohibition ticket and is still no nearer the governorship than he was eighteen years ago as the Republican candidate. T. M. Paschal was then running against T. J. McMinn, Populist, and Henry Terrell, Republican for Congress. On the county ticket, Joe Ney for Sheriff and Tax Collector, Aug. Kempf for County and District Clerk, and Henry V. Haass for Surveyor appear. The other county candidates are different from the present officials.

At a conference of the Lutheran congregation here last Sunday afternoon at the Methodist church, it was decided to build a church house. The building will be erected out of brick, will be 30 by 50 feet and will cost when completed with the furnishings about \$3,000. It will be built in the Burnside addition just north of the courthouse and will be an ornament to that part of town. The Lutheran church was organized here by Rev. A. Falkenberg a few years ago and now numbers about forty members. Something over two thousand dollars has been subscribed toward the building up to date and work is expected to begin about the middle of next month.
